THE GRAPE VINE

The Newsletter of the Cellar Society of San Francisco

June-July, 2015

Volume 15:6

In June the Cellar Society of San Francisco celebrated 45 YEARS OF TASTING AND FRIENDSHIP

It was a perfect summer evening for memories and fine food from Piatti of Danville. And then there were special wines- some from 45 years ago, and some recent vintages. We heard stories, some scandals, and incidents from Jerry Barrick, Genie Simcox, Eileen Slora and Randy Sugarman, who were early members. Hosts Betty and David Gibson and Bette and Jim Felton organized pictures and other memorabilia that were displayed with appetizers and Cremant.

A photo gallery from Susie Ehlert and David Gibson is on Page 2.
