

Cellar Society of San Francisco

George Saywell

Our friend - We will miss him

Early days with Joan

“I want to thank my friends in the Cellar Society for the beautiful orchid they sent me in memory of George. Knowing how much friends care during this difficult time has made it easier to bear. Again, thank you and I hope to see you in July.”
— Nancy Rhodes Saywell

If you wish to remember George with a donation, Joan says, “Dad would want donations to go to the Bancroft Library at UC Berkeley in his name.”
